**Re: Aybar v. U.S. Tires and Wheels of Queens  
No. 2019-12110**

Dear Mr. Joseph:

We represent Third-Party Defendant The Goodyear Tire & Rubber Company ("Goodyear") in the above-referenced matter.

Please accept this correspondence as our formal request to withdraw Goodyear's Motion for Reargument or, in the Alternative, Leave to Appeal to the Court of Appeals ("Motion for Reargument") ([Docket No. 32](#)). As described in Third-Party Defendant-Appellant Ford Motor Company's Motion to Vacate (as well as Goodyear's contemporaneously filed motion), the Motion for Reargument has been rendered moot by the discontinuance of the underlying action.

Respectfully submitted,

**PISCIOTTI LALLIS ERDREICH**
