Ok. I have my meeting in a few.
Cutting it close.

10:16 AM

Tell Quan if we have it, we will get
him \$50k advance. That is the
point of all we are doing to have
extra but we understand he is
uncomfortable so trying to make it
worth his while for helping us now.

11:00 AM

Any idea of why silence?

12:00 PM

Sorry driving

12:05 PM

No response yet

12:05 PM

Ok. Don't have his number handy.
Can you call or should I?

Left meeting. They are just waiting
on OA. Chris has his meeting still.

12:09 PM

There seems to be confusion. This
isn't to get a deal. This is to
improve our position.
